([www.new-megane.renault.co.uk](http://www.new-megane.renault.co.uk))

WRITTEN AND DESIGNED BY NBACREATIVE, LEAMINGTON SPA, SEPTEMBER 2008. PART NUMBER 7701 380 698  
Renault U.K. Limited Customer Services, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire WD3 9YS-Tel:0800 52 51 50.

## NEW MEGANE HATCH

### LAUNCH PRICES AND SPECIFICATIONS

# NEW MEGANE HATCH. ALLURING, INTUITIVE AND REASSURING.

New Mégane Hatch turns heads and makes hearts beat faster. The flowing lines, dynamic laser-precision fit and finish of the styling, and sheer chic of the design will have you captivated – great looks and the promise of superb driving pleasure.

The New Mégane also has perfectly practical reasons for winning you over. Like eco-friendly engines – three of which have CO<sub>2</sub> emissions below 140gm/km. Then there's the reassurance of Renault safety – ESP combined with understeer control...adaptive airbags and third generation head restraints...Xenon directional headlights – everything's in place to make this the secure way to travel.

Add in the intuitive technology of ergonomic layout with easy-to-reach controls, and new combined analogue and digital instrument panel, plus features like rear parking sensors, dual-zone climate control, full colour Sat Nav and Arkamys® 3D sound system, and this is the car to win your heart and rule your head.

And since this is an eco<sup>2</sup> Renault, you can rest assured that it's 95% recyclable, so it will have the minimum possible effect on the environment.

## COLOURS

NM = Non-metallic Supergloss MP = Metallic Pearlescent MI = Metallic Illusion

It should be noted that printing limitations do not permit these subtle paintwork shades to be shown with absolute accuracy. Only personal inspection of the Mégane at your Renault Dealer will reveal it in its true colours. From time to time changes are made to the colour range. Please check availability with your Renault Dealer.

New Megane Hatch carrying the symbol meet three criteria: they produce CO<sub>2</sub> emissions at or lower than 140 g/km they are manufactured at an ISO 14001 certified factory, minimising their environmental impact, and they are 95% recyclable with 5% recycled plastic in their plastic mass.

With , Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier. Furthermore, this vehicle has parts made of recycled plastic and renewable materials.

## CORE FEATURES

### COMFORT AND DRIVING

- Five height adjustable new generation headrests and five 3-point seatbelts
- Double optic headlights with 'See Me Home' function
- Front underfloor storage
- Height adjustable driver's seat
- Height and reach adjustable steering wheel
- Keyless car with Renault card
- Remote central locking

- Trip computer with warning system
- New generation variable power-assisted steering
- Heated body coloured door mirrors
- 60:40 split folding rear seats

### SAFETY AND SECURITY

- ABS with EBD (Electronic Brake Distribution)
- ESP with ASR (Anti-Skid Regulation) and UCL (Understeer Control Logic)
- Anti-submerging airbags for front seats
- De-activation for front passenger airbags
- Brake Assist
- Front and rear curtain airbags
- Driver and front passenger two stage adaptive airbags
- Front lateral airbags
- Front seatbelt double pretensioners
- Thatcham (Category 1) alarm and immobiliser system
- ISOFIX child seat mounting points on outer rear seats
- R.A.I.D. (Renault anti intruder device)
- Emergency spare wheel

## STANDARD EQUIPMENT

### EXPRESSION ADDITIONAL STANDARD EQUIPMENT TO CORE FEATURES

- 4 x 15W RDS radio CD
- Air conditioning
- Height adjustable driver's seat
- Centre console with armrest
- Electric front and rear windows (driver's one touch)
- Driver's seat with lumbar adjustment

### DYNAMIQUE ADDITIONAL STANDARD EQUIPMENT TO CORE FEATURES

- 4 x 15W RDS radio CD with Bluetooth and MP3 connection
- 16" 'Sport' alloy wheels\*
- Automatic headlights and windscreen wipers
- Hands free Renault card
- Height adjustable passenger seat
- Leather steering wheel
- Front fog lights
- Cruise control

### PRIVILEGE ADDITIONAL STANDARD EQUIPMENT TO CORE FEATURES

- 16" 'Spirale' alloy wheels
- Dual Zone climate control
- Electrically operated folding door mirrors
- Electrochromic rear view mirror
- Rear armrest with storage
- Rear parking proximity sensors
- Illuminated vanity mirrors
- Cruise control

\* 2.0 Turbo 180hp comes with 17" 'Schuss' alloy wheels
